LUNCHTIME MOVIES

The charming streets of Vienna, the wild colors of Madrid and the cool canals of Amsterdam will highlight the LUNCHTIME MOVIES which begin on Tuesday, June 1 and continue on every Tuesday throughout the summer.

The ever-popular series of short films will be shown at 11:30 A.M. and 7:30 P.M. At the 11:30 showing, coffee will be served and everyone is invited to bring a sack lunch. The films will be repeated at 7:30 for those who cannot attend during the day, but coffee will not be served at that time.

Each film program in June will feature travel to a famous city in the world, and on June 8, a short talk on the U.S. Customs Service and its regulations for tourists will be given by Inspector Edward Gross.

Besides travel, the film programs will include stories about interesting people, documentaries on culture and the fine arts, and hobbies and sports. A weekly list of the films to be shown will be available at the Circulation Desk.

Summertime is here and so are LUNCHTIME MOVIES at the Library - come and enjoy!

HANDWRITING LECTURE

"Change your writing and change your life" is what Dottie Kuehnert will tell you in her lecture on handwriting analysis, to be presented on Wednesday, June 9 at 7:30.

Mrs. Kuehnert is a handwriting expert from northern California and has lectured previously at the Library. She will illustrate the correlation between handwriting and personality. Come and take a new look at your own handwriting and learn more about yourself!

BOOK REVIEW

Who would imagine that an English grandmother would bicycle across the United States all by herself? Christian Miller did and she tells all about her experiences in her charming book, "Daisy, Daisy", which will be reviewed by Barbara Todd on Thursday, July 15 at 2:30 and 7:30 P.M.

This daring grandmother rode a little folding bicycle from Virginia to Oregon, meeting all kinds of wonderful Americans along the way. Her major problems were the weather, the Rockies, and coal truck drivers in Kentucky!

Come and see the U.S.A. through the fresh and perceptive eyes of Christian Miller and "Daisy, Daisy."

SUPER MOVIES

"It's a bird - it's a plane - it's Superman!" And he's coming to the Morton Grove Library in two super special movies that recently enjoyed great success at the box office!

"SUPERMAN I" will be shown on Monday, June 21 at 2:30 and 7:30 and "SUPERMAN II" will be shown on Monday, July 12 at 2:30 and 7:30.

Both films star Christopher Reeve as the "caped crusader" and super casts include Margot Kidder, Gene Hackman, Marlon Brando, Valerie Perrine and Jackie Cooper.

SUMMER READING PROGRAM

Go through the year with the PEANUTS gang for summer reading fun! The reading program will begin on June 21 and is open to children from pre-school through 6th grade.

With each book the child reads and reports, his PEANUTS character goes through the months of the year via the sprinkler pipes in the Children's Room.

Awards and certificates will be given on Saturday, Sept. 11 at 2:00 in the Baxter Room.

FROM THE LIBRARIAN'S DESK . . . . .

This is the time of year when the Board of Library Directors and the Librarian gather facts and statistics for the annual report on services we have provided for the people of Morton Grove during the past year.

Morton Grove's official 1980 Census figure is 23,787. From that number, 12,155, more than half, are registered borrowers. With our circulation of 226,319, the highest ever, this means we circulated an average of 18.8 items to each of those registered, or a per capita average of 9.5. In comparison, the 1972 per borrower average was 11.8 or a per capita average of 6.6.

During the ten-year census period, our book collection has increased from 62,070 to 103,252 and our record collection has increased from 1,536 to 3,957. Our periodical subscriptions have increased from 196 to 403.

Programs in the Library were difficult to present in 1972 because of our limited facilities, but this year, 1981-82, we have counted a total of 14,688 individuals who have attended programs. In addition, many children took part in the Summer Reading Program, the Art Contest, and other activities.

Cooperation is the name of the game for libraries. The North Suburban Library System Services, through its various divisions, provides materials from other member libraries, provides periodical articles, films, videocassettes, and materials for the blind and physically-handicapped.

Perhaps the most heavily-used service in the System is the Reciprocal Borrowing Program, and, last year, Morton Grove patrons borrowed 27,511 books elsewhere and our Library loaned 29,445 to patrons of other libraries. This was a record circulation for us.

Now, the State Library has greatly expanded this concept, making it possible to borrow from any library in the state, with a few exceptions. For example, if you should be in Peoria on business and you have nothing to do after working hours, check out one or more books from the public library. If you haven't finished it before you leave town, just bring it back to this Library and, through the statewide delivery system, we will return it at no cost to you.

Books are still the Library's main concern, but there are so many other possibilities that we hope you will come and -

DISCOVER THEM AT THE LIBRARY!

FINANCIAL PLANNERS

"We help people plan to get the most for their dollars." This is a statement from American Financial Planners, Inc. who will present a 2-part program on personal finance on Wed., June 23 and Thurs., June 24 at 7:30.

The lecture will include estate planning, pension and retirement planning, hard assets, and tax-deferred investments. American Financial Planners, located in Carpentersville, is an innovative company that provides flexible financial programs for the consumer at low costs.

HELP FOR AGORAPHOBIA

Do you suffer from spontaneous attacks of overwhelming panic for apparently no reason? Are you afraid of being away from home beyond a certain circle of safety because you might experience an anxiety attack?

You might be suffering from agoraphobia. The Agoraphobia Self-Help Group is now meeting on Tuesdays evenings at 7 P.M. in the Board Room of the Library. This support group is open to all interested persons. For more information, please call 965-4220.

Did you know that the JERUSALEM POST, to which the Library subscribes, has planted a tree in the Jubilee Forest in Israel, in the name of Morton Grove?

HEALTH FOR MOMS

The Morton Grove Health Dept. will present a series of Health Discussions for Moms during the Pre-School Story Hours on June 22, 23, 29, 30, and July 6 and 7.

Bud Swanson of the Health Dept. will speak on such topics as safety for small children at home, poisons, drug abuse, smoking and dental hygiene.

These informal discussions will be held in the Children's Room while the children are at Story Hour.

SERVICES FOR THE BLIND AND PHYSICALLY HANDICAPPED

Are you familiar with our services for the blind and physically handicapped? You may know someone who cannot read because of visual impairment or who cannot hold a book because of physical disability.

Our Library can provide special materials for such a person including talking books recorded on tape cassettes, braille books and magazines, and playback equipment--all free!

The Library also has a special magnifier and a large collection of large-type books. For further information on this valuable service, please contact Mrs. Flora Scheel at the Library, 965-4220.

SUMMER CLOSINGS

The Library is now closed on Sundays for the summer and will be closed on July 5 and Sept.6.
